

## Centra Windows Raises Over \$25,000 for Charities at Annual Golf Tournament

Centra Windows Annual Golf Tournament and Charity Fund Raiser was held on June 19, 2009 at Newlands Golf and Country Club, Langley, BC. This year, \$12,600 was raised by attendees of the tournament including Centra employees, suppliers, customers and others. Centra Windows matched the funds raised to a total of \$25,200 in much needed funding for The Salvation Army and EFCCM Latin American Ministries.

Centra Windows is an employee-owned company and has long been committed to corporate social responsibility as part of their core company values. “These funds will make a difference and will go a long way towards helping others in need,” says Mark Brandow, Sales Manager, Centra Windows, “Meals and counselling will be supplied for street kids, shelter beds for homeless, care and counselling for patients with AIDS, cancer and other terminal illnesses, assistance and education for Chinese immigrants in Panama, water drilling in poor rural areas of Boliva and more.”

### About Centra Windows

Centra’s high-performance window systems are eco-Smart offering outstanding benefits to the homeowner. The natural insulation of 100% vinyl returns immediate savings in energy bills. The same energy-efficient features that guard against temperature extremes also guard against outside noise.

These practical advantages coupled with design and ease of maintenance create a solution for consumers who are concerned about energy efficiency in their homes. Centra has been recognized as a cost and renovation advantage for customers who are interested in home renovations.

Centra manufactures and installs home replacement Energy Star windows, doors and siding across most areas of British Columbia. Centra’s unique approach of keeping everything in-house from manufacturing, distributing and installing results in consistently high quality products and your worry free renovation from start to finish and beyond.
