

Cenergy French Door

✓ Centra's Cenergy French doors offer ample light and views. Our sleek, European-style swing door enhances airflow, safety, and comfort.

Cenergy Features

- A 100% Fusion-Welded Vinyl Frame and Sash Corners**
Provides strength and durability. Water and air leakage is eliminated at the critical corner locations.
- B Multi-Chamber Frames**
Resists twisting and will not warp. Sealed air insulates against hot and cold weather extremes providing controlled comfort.
- C Double Weatherstripping**
Controls annoying drafts and helps reduce heating costs.
- D Exposed Door Hinge**
Available on in-swing and out-swing doors.

Unique Features

- E Reinforced Steel Frame**
With galvanized steel bar for superior structural integrity and operational reliability.
- F Multi-Point Locking System**
Provides superior security and improved weather seal.
- G High-Performance Sill**
Improved air, water, and structural ratings.

Additional Features

- H Low Profile Sill**
Traditional door sill — easier for wheelchair adaptability.
 - Triple-Glazed Glass Option
 - Concealed Hinges
 - In-Swing, Out-Swing, Single, and Double French Doors Available.

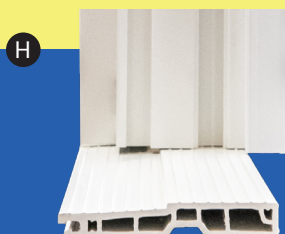

PERFORMANCE TEST

Contact your Centra Sales Rep for further details on our product's adherence to strict testing standards and information on size limitations.

Up to PG 80, 720 Pa., A3

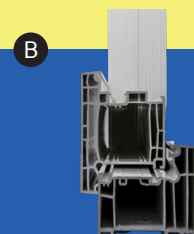

Exterior finishes may vary depending on location. Ask your sales rep for information on flange options.
