

The Classic Collection

✓ The sliding window is the most popular product within our Classic Collection as it is user-friendly, suitable for a wide range of spaces, and offers a timeless design.

Classic Features

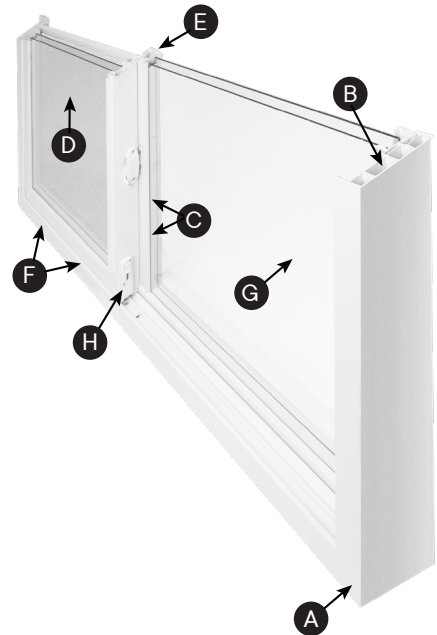

- A 100% Fusion-Welded Vinyl Frame and Sash Corners**
Provides strength and durability. Water and air leakage is eliminated at the critical corner locations.
- B Multi-Chamber Frames**
Resist twisting and will not warp. Sealed air insulates against hot and cold weather extremes providing controlled comfort.
- C Double Weatherstripping**
Controls annoying drafts and helps reduce heating costs.
- D Heavy Duty Screen**
A screen to keep out bugs and insects, using handy aluminum grab bars instead of plastic tabs.

Unique Features

- E Reinforced Interlock**
With galvanized steel bar for additional strength.
- F Brass Rollers**
Provide durability and ease of operation.
- G Double LoE Coating and Argon-Filled Glass**
Additional glass upgrades available.
- H Steel Drop Lock**
With hardened steel bolt for added strength.

Additional Features

- Triple-Glazed Glass Option
- Exterior and Interior Colour Options Available
- Additional Night Lock Available

PERFORMANCE TEST

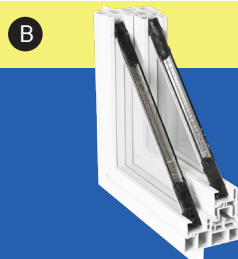

Our Classic Collection windows have been through rigorous testing to ensure both extreme durability and energy efficiency. Speak to your Centra Sales Rep for details on our adherence to strict product testing standards and information on size limitations.

Exterior finishes may vary depending on location. Ask your sales rep for information on flange options.
