

The Supreme Collection

✓ A revolutionary hybrid window offering the best of both worlds - the exceptional efficiency of vinyl and the incredible durability of aluminum.

Supreme Features

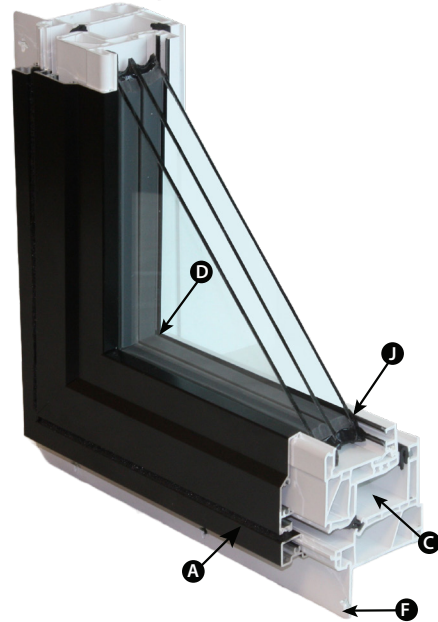

- A 16 Ga. Extruded Aluminum Exterior**
Provides structural strength and great resistance to general corrosion.
- B High Quality Exterior Aluminum Surface**
Precise mitred corners create a sleek finish.
- C Multi-Chamber Vinyl Frames**
Combines structural stability with exceptional thermal performance.
- D Fusion-Welded Frame & Sash Corners**
For strength and durability. Water and air leakage is eliminated at critical corner locations.
- E Triple Weatherstripping**
Controls annoying drafts and helps reduce heating costs.
- F Standard Integral Nailing Flange**
Provides for convenient and energy-efficient installation.
- G Folding Handle**
Folds into nested operator cover.

Unique Features

- H Extremely Weather Resistant**
A hardwearing frame designed to better withstand excessive heat, cold, and hail.
- I Premium Quality Truth Hardware**
Multipoint lock on casement and awning ensures ease of operation and maximum security.

Additional Features

- J Warm-Edge Superspacer Double or Triple Glazed Sealed Units**
Upgrade to triple pane for added thermal insulation and noise reduction.
- K Colour, Glass, & Grid Options**
Choose your perfect style - our Supreme Collection windows are custom-made to your specifications.

PERFORMANCE TEST

Our Supreme Collection windows have been through rigorous testing to ensure both extreme durability and energy efficiency. Speak to your Centra Sales Rep for details on our adherence to strict product testing standards and information on size limitations.

Exterior finishes may vary depending on location. Ask your sales rep for information on flange options.
