Centra[®] Traditional Collection

WINDOWS & INSTALL PROS

✓ The Traditional Collection is a popular choice with those seeking an upscale, timeless look while also hoping to achieve high levels of home comfort and efficiency.

Traditional Features

- A 100% Fusion-Welded Vinyl Frame and Sash Corners**
Provides strength and durability. Water and air leakage is eliminated at the critical corner locations.
- B Multi-Chamber Frames**
Resists twisting and will not warp. Sealed air chambers in the frame insulate against hot and cold weather extremes providing controlled comfort.
- C Triple Weatherstripping**
Controls annoying drafts and helps reduce heating costs.
- D Heavy Duty Screen**
Easily removable and ensures that insects stay outdoors where they belong.
- E Folding Handle**
Folds into nested operator cover.
- F Roto Heavy Duty Hinges**
Stainless steel hinges provide durability and ease of operation.

Unique Features

- G Bevelled Exterior Frame and Unbalanced Sash**
Windows designed to boost your home's curb appeal.
- H Multi-Point Locking System**
Ensure a firm seal against drafts and provide added security.

Additional Features

- I Integrated Brickmould Option**
Upgrade available to co-extruded brickmould series.
- J Push-Out Operating Cam Handle Option**

PERFORMANCE TEST

Our Traditional Collection windows have been through rigorous testing to ensure both extreme durability and energy efficiency. Speak to your Centra Sales Rep for details on our adherence to strict product testing standards and information on size limitations.

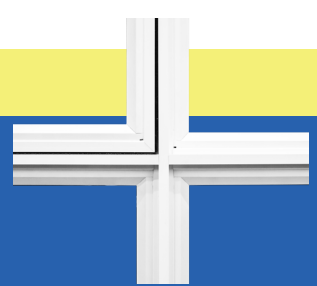

Exterior finishes may vary depending on location. Ask your sales rep for information on flange options.
